

To whom it may concern

I am writing to express my support of K-Love radio station. In my area I am able to access K-Love on 94.3 FM. As a mother of two young children it is very difficult to find resources that support the christian values I desire to have modeled for my children. K-Love is a wonderful radio station that serves many needs of christian families. I can have K-Love radio station on at any time and not have to worry about what my children may hear. I am thankful that my childrens young minds have been blessed with the many songs that they hear on K-Love.

In a society that lacks morals necessary for upcoming generations, K-Love provides music that speaks of hope, Peace and of the Lords love for us. Many peoples lives have been turned around by these messages. Please don't take away the chance for millions of other lives to be reached with these vital messages of Hope, Peace and Love.
